

ALIGN

The Align articulating monitor arm is an attractive, durable monitor arm for your workspace. Featuring a gas spring that can be easily counter-balanced, Align can quickly be re-positioned to fit your needs and provide ergonomic comfort.

FEATURES

- Space-Saving Design: free up and gain additional desktop work space.
- Adjustable height for optimal ergonomic positioning.
- Detachable, quick-install VESA plate reduces installation time.
- Effortlessly swivels, tilts and portrait to landscape rotation provide a wide range of movement.
- Sleek cable management system routes cables beneath the monitor arm.
- Mounts to desk edge or bolts through desk.
- Gas spring which allows for counter-balancing the weight of your monitor.
- Free-Tilt designs makes for simple adjustment for better viewing.
- VESA-monitor compatible – 75mm & 100mm VESA adapter included.

AVAILABLE MODELS

ALIGN-1
